## Certificate – Navajo Court Transcription/Interpretation Requirements: 33 Credits

The program is comprised of classes in legal (tribal court) interpretation. The interpretation program involves a class in the introduction to the field of interpretation, a class in consecutive, simultaneous and sight interpretation, and a class in legal interpretation (tribal court system). Each student’s progress and potential for successful completion of the program will be evaluated. Students must complete this course with a grade B or higher, and must receive a score of at least a B on the exit examination in order to receive a certificate. This course will address the development and an awareness of the principles and the current issued involved in interpretation and translation.
