3. Obtain an NTU email address. In order to maintain reliable communication, students must have an NTU email address. Email its@navajotech.edu if you need help setting up an email address.
4. Connect with your instructor. You must also contact your instructors in order to work out a plan to complete your coursework. Funds will only be distributed in full to students that complete the semester. If you are receiving an incomplete grade, or "I," funds can be disbursed during the intercession or summer semester. If a student fails to complete their course, the rest of the funds will not be disbursed and grades will be changed to "F".

If you have already completed the survey, have an NTU email, and have been in correspondence with your instructors, please contact the Registrar's office.

NTU has limited services on campus but will continue services like hot spots on each NTU site, laptop checkouts, and our Homework Express. We encourage you to allocate your relief funds to work in conjunction with our current support services.

The sooner you contact us; the sooner you'll receive your check. Please spread the word.

For more information about the distribution of the NTU relief checks, contact Dean Jerlynn Henry at jhenry@navajotech.edu or Cheryl Thompson at cthompson@navajotech.edu."
