

How to find Your Online Assignments in Moodle

1. After you have successfully logged into Your account, the page shown to the left will appear and Your online courses will be listed.

2. Move the mouse arrow over the course name, and the course name will become underlined, indicating it is a link.

Left Click the Mouse on the course to see the assignments for that course.

3. After you have clicked on the course a new page will appear like the one shown to the left.

4. You can view your assignments by either clicking on the "ASSIGNMENTS" tab. This link will take you to another page where you will have a complete listing of all assignments for the course.

-OR-

5. You can also scroll down the page to a specific assignment. There will be some specific information listed about the assignment and when the assignment is due.

Note: Look for the Assignment Icon and key phrases about your assignment.

6. When you click on the assignment it will take you to another page like the one shown to the left.

7. This page will show more information about the assignment and this page is where the assignments will be submitted.
