

Navajo Technical University

Name: _____ ID#: _____

Associate of Arts – General Studies (62 Credits)

The purpose of the Associate of Applied Science degree in General Education, also known as the Weekend College Program is to provide a flexible accelerated degree program format that allows adult learners to complete their degree by attending classes exclusively on the weekends. They offer practical introductions to the field of general education classes at the college level; additionally students may transfer to a four-year college or University campus for the bachelorette degree. A minimum of sixty-two academic credits must be earned in specified coursework.
