

ONLINE LEARNING

Why Choose NTU Online Learning?

NTU's Online Learning Goal is to expand access to higher education for individuals and communities within the Navajo Nation and beyond. We are committed to student success through online courses that address learning needs and provide robust support services.

Online Learning Mission

Our mission is to deliver quality, accredited online education that empowers students to achieve their academic goals. Through advanced technology and dedicated support, NTU extends its educational offerings to local and global communities.
