I. Discuss how to set up self-study report for programs with more than one degree levels

The committee began preliminary discussions on structuring self-study reports for programs that offer more than one degree level. Prince Boahene noted that he had already prepared separate reports for programs with multiple degree levels as part of this year's program review. Dr. Fowler expressed agreement, emphasizing the importance of creating distinct reports for undergraduate and graduate programs. For instance, in the Dine Studies department, which offers BA, MA, and Ph.D. programs, it would be
