

Navajo Technical University

Navajo Technical University
Spring Enrollment Trend

Navajo Technical University has experienced a significant uptick in student enrollment for the Spring 2025 semester, with an increase of 304 students compared to the previous Spring term. This surge in enrollment brings the total number of students to 1,462. 43% of those students are enrolled as full-time and 57% are part-time enrolled. This recent increase highlights a positive trend in the university's growth. The infographic provides a brief summary of the Spring enrollment at Navajo Technical University.
