Are you enrolled in a Summer Course? Have you checked your NTU Skyhawk email?

Check your <u>Skyhawk email</u> for course information. If you don't see a welcome message, you can access course information and resources directly to your online course at https://navajotech.blackboard.com/. Week One starts on Monday, June 9th, You need to log into Blackboard Ultra and participate before you are dropped from the course for nonparticipation.

If you do not have a Blackboard, MyNTU, or Skyhawk account or you forgot, please see the IT department preferably, Mr. Dody Begay, dody.begay@navajotech.edu or its@navajotech.edu, IT Department.
Reminder: All students need to use the Single Sign-On (SSO) procedures to access your accounts. More information can be found at https://www.navajotech.edu/students/distance-education/

All students are required to complete their own work, participate actively, and uphold academic integrity. If you have a disability and need extra support, contact the <u>Student Support Services</u>. For more information about online courses, contact Online Learning Director, Dr. Coleen Arviso at <u>ccarviso@navajotech.edu</u>. Or go to NTU's Website <u>for Online Learning</u> <u>resources</u>.

You need access to three required NTU Accounts to be a successful learner through the SSO.
<u>Blackboard Ultra:</u> Learning Management Platform to complete coursework and interact with your professor.
<u>MyNTU</u>: Obtain your schedule and unofficial transcript, view your mid-term and final grades, and check if you have the potential to register for courses without any holds.
<u>Skyhawk Email</u>: All students are required to use Skyhawk email as the official communication resource within NTU. This is a <u>federal requirement</u> <u>and policy</u>.
