

Navajo Technical University is a Land Grant institution of 1994 and is accredited by the Higher Learning Commission.

- NTU

From its humble beginnings, as a vocational training center, Navajo Technical University continues advancing to become a university that serves both its students and communities of the Navajo Nation and beyond.

Our university offers many programs that are rooted in the Navajo culture and are designed to create pathways to opportunities for the benefit of our communities.

## MISSION

Navajo Technical University honors Diné culture and language, while educating for the future.

## VISION

Navajo Technical University provides an excellent educational experience in a supportive, culturally diverse environment, enabling all community members to grow intellectually, culturally and economically.

## PHILOSOPHY

Through the teachings of Nitsáhákees (thinking), Nahátá (planning), Íina (implementing), and Siihasin (reflection), students acquire quality education in diverse fields, while preserving cultural values and gaining economic opportunities.
