

Enrollment Trend

The following Spring 2026 student enrollment data is based on Census Day or sometimes called “freeze day” refers to the official semester enrollment collection day for Navajo Technical University. The counts are based on the number of students enrolled as of the certified Census Day, as verified by the Registrar, who subsequently provides the official listing to end users such as OADR. This count includes all degree-seeking students, non-majors, dual credit, graduate-level students. This is represented in a graph by semesters (above). The Census Day snapshot also captures the gender that makeup of the student body which are reported as: 874 females (59%), 617 male (41%), and 2 not reported.

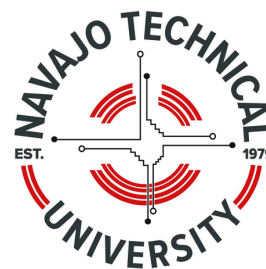

NTU consists of six locations: Crownpoint-Main Campus, Chinle Site, Kirtland Site, Teec Nos Pos Site, Zuni Site, and Online. The enrollment figures below represents the current Spring Semester headcount by location, including the students participating in the high school dual enrollment program.
