

Navajo Technical University

Name:

ID#:

Associate of Arts – Criminal Justice (60 Credits Credits)

Track A

(Student with Academic Technical Certificate from NTU)

Track “A” for new students entering the program with either no prior college experience, or by students holding the academic certificate in law enforcement. The mission of the Law Enforcement Program is to prepare Navajo Technical University students for careers, research, and further studies in law enforcement, criminal justice, and criminology to build stronger Indigenous Nations.
